This paper is not a joke. You may laugh, but you shouldn't.

It's quite horrifying.

The Ethics of Sarcastic Science

Every year the *British Medical Journal* publishes an issue of joke science. But years later, those papers are cited as real.

This otter is (probably) not laughing about the *British Medical Journal*. (Tambako The Jaguar/Flickr)

One joke study from 2007 on the energy expenditure of adolescents playing video games has been cited about 500 times since then, according to a Google Scholar estimate

When you read these 19 shocking paper facts:

You'll change the way you review papers forever!
